OBI BELT

1. Choose two ties to create your Obi style belt.

2. Overlap them at the wider end, lining up the sides of the V shape and pin in place.

3. Using a Blind Stitch, hand stitch the ties together where they overlap.

4. Stitch close to the edge of the ties to hold them firmly in place and try to make sure you don't stitch the whole way through to the front.

5. It's as easy as that to create your own Obi style belt from two old ties!
